SCHLOSS CHARLOTTENBURG

Location

Get enchanted by the royal atmosphere of this extraordinary event location in the last remaining Palace of Berlin. The special architecture and the scenic gardens, light-flooded ballrooms combined with modern technology, excellent service and an individual catering concept add a unique and individual profile to your wedding.

Where tradition meets modernity your wedding celebration becomes an unforgettable event.

Your special day...

Excited susurrations, bright faces, a happy couple. In the splendid Rotunda of the Great Orangerie, which is highlighted by ample colonnades, a wedding ceremony is taking place.

Flower fragrances, blessings, clinking glasses. Directly after the ceremony we arrange a champagne reception in the admirable garden of the Palace giving your guests the chance to toast the newly wed couple.

Tender glances, caressing touches, flashing cameras.

Which scenery would be better suited for photographically highlighting the happiness of the day?

After all this hustle and bustle you and your guests take a seat in the elegantly designed side wings. The tables are decorated festively and the fragrance of your individually created gala menus already quickens your appetite.

You prefer the traditional church wedding? In this case our elegant location might be the right place for your celebrations after the ceremony. Feel free to tell us about your wishes and ideas. We are happy to give you advice and make the wedding of your dreams come true!
